Descripción:

Located in the peaceful village of Munggu, just 15 minutes from Pererenan Beach, this elegant two-bedroom villa blends Mediterranean-inspired architecture with warm natural textures. The home welcomes you with arched windows, soft curves, and light-filled interiors that create an atmosphere of calm and sophistication. The exterior showcases a clean white façade adorned with lush greenery and an inviting pool area surrounded by tropical plants—offering a perfect setting for relaxed Bali living.

Inside, the villa is designed with a thoughtful flow between the dining, kitchen, and sunken living spaces. The neutral palette of earthy tones, warm wood finishes, and soft lighting highlights the home's serene ambiance. The open-plan kitchen and dining area feature natural wood cabinetry, rattan pendant lamps, and a circular dining setup—balancing modern comfort with timeless design. The sunken lounge provides a cozy retreat overlooking the pool, ideal for quiet evenings or social gatherings.

Both bedrooms exude understated luxury with floor-to-ceiling windows, natural textures, and soft color tones that enhance the feeling of space and comfort. Each ensuite bathroom combines modern fittings with subtle organic finishes, creating a spa-like atmosphere. This property presents an excellent opportunity for both residential living and investment in one of Bali's most desirable areas.

Price : IDR 2,750,000,000

Construction will begin upon receipt of the first deposit, marking the start of your new home in Bali's tranquil Munggu area.
