Descripción:

This Project is Sold Out! Worry Not We have in the Same Town of Tala 3 more projects available for Sale, Aquilla Villas, Orion Villas and Lofos Heights. We're proud to announce that this exclusive development is fully completed. With only six luxury villas, Eagle's View stands as a showcase of elegance, smart design, and exceptional construction quality.

Set in the prestigious Tala area, one of Pafos' most sought-after locations, these two-story villas offer panoramic views of the sea, Pafos town, and Peyia Bay. Every home was carefully positioned to maximize the stunning surroundings, bringing sea and mountain views into every living space.

With a choice of 3- and 4-bedroom layouts, each villa was crafted using modern architectural lines and locally sourced materials, creating a perfect balance between luxury living and harmony with nature. Located just 9 minutes from the center of Pafos, the beach, and Tala golf course, and only 4 minutes from the heart of Tala village, this development offered the perfect setting for both permanent residence and investment.

Eagle's View is now fully delivered, a true reflection of the standards we bring to every project. Looking for something similar? Contact us to explore upcoming opportunities in nearby locations
