Descripción:

Phase B, La Sabana, embodies the natural heart of El Jaguar — where open green spaces, lush tropical vegetation, and community living unite. Designed for those seeking balance, La Sabana celebrates outdoor living with its proximity to 'The Lung,' El Jaguar's central park and gathering space shaded by ancient Guanacaste trees. Here, residents can walk, play, and grow in an atmosphere of peace, connection, and ecological mindfulness.

At El Jaguar - Phase B: La Sabana, life flows effortlessly between home and nature. This phase captures the essence of Guanacaste's countryside with its wide landscapes, cooling breezes, and family-oriented design. The lots are generously sized, offering homeowners the opportunity to create spacious tropical residences surrounded by natural beauty. Each homesite has been carefully integrated into the existing landscape, ensuring harmony between architecture and environment.

The heart of La Sabana connects directly to 'The Lung' — a vast community green zone offering open fields for recreation, forest play areas, exercise trails, vegetable gardens, and spaces for relaxation and meditation. With thoughtful amenities and access to Hacienda Pinilla's exclusive offerings, residents of

La Sabana enjoy a lifestyle that is at once luxurious and grounded — the true spirit of Pura Vida.
