Descripción:

At Zenith Residences, every detail has been designed to meet the demands of those looking for quality, sustainability and investment value.

The roof of the building includes a panoramic swimming pool, solarium and common garden areas, creating an exclusive environment of leisure and well-being. On the ground floor, the development integrates 1,690 m² of commercial spaces, ideal for services, restaurants or local commerce, reinforcing the dynamism and convenience of the project.

Zenith Residences is distinguished by its CLT (Cross Laminated Timber) timber structure an ecological, sustainable and high structural performance solution.

Among the various efficiency and comfort solutions, the following stand out:

- Ventilated façade with state-of-the-art thermal and acoustic insulation
- Photovoltaic solar panels, promoting energy self-sufficiency
- Premium finishes, with noble materials and environmental certification
- Energy class A, ensuring maximum efficiency and savings
