Descripción:

This is a two-story house built in 1820. The interior comprises a living room, four bedrooms, a fitted and equipped kitchen, two shower rooms, and two toilets. The detached house benefits from gas-fired radiators. It is in good general condition. Double-glazed PVC windows and roller shutters contribute to better thermal insulation. In addition to the two floors, there are two cellars.

The property also has a garden.

The land area is 3,335 m2.

Regarding your vehicle, this house has three outdoor parking spaces.

The house is close to all amenities: it is located five minutes from schools and six minutes from shops.

There is a childcare facility for toddlers less than a 10-minute walk away.

For public transport, there are two train stations (Granville and Folligny) less than 10 minutes away by car.

You will find the Select cinema, as well as three libraries, tennis courts, a music conservatory, and a swimming pool just a few minutes away.

Restaurants, shops, bakeries, supermarkets, post offices, and fishmongers are also easily accessible.

Four markets add to the lively atmosphere of the neighbourhood.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
