HOUSES

We offer three model homes in different sizes. Our engineers will give you the keys to your home in paradise no later than 12 months after your down payment. But if you are independent you can bring your own equipment.

Quetzal House

For the Mayans the Quetzal was a legendary bird that represented the gods. For us this house represents the magic of life surrounded by the sky in a contemporary style poetic perfect elegant and imposing. A house that honors the legend.

Casa Colibri

Discreet and functional small but strong a mix of glass accessories and straightforward shapes. Colibri or hummingbird is the modernist house par excellence.

Jaguar House

This house is the perfect balance with the virgin forest of the region robust free earthy strong and powerful like a jaguar.

SUSTAINABILITY

Our engineers are committed to a sustainable future. Two examples of our joint contribution to the younger generation. On each house our engineers install six solar panels completely free of charge for you. The energy yields are integrated into your electricity bill reducing your costs day after day. You can constantly track the energy your roof produces.

For each lot sold we will plant 1000 trees in the Yucatan Peninsula.

Tulum Gardens is perfectly designed for positive interaction among fellow citizens.

The first stage of all works will be completed in 2022.

On the day of your last payment we will hand over the ownership title of your new home.

With of your own capital we support you with of your financing. This applies to both land and home purchases.

We use high technology for street lighting fiber optic internet telephone network electrical network water and sewage systems. Everything is under your feet. Also enough energy for electric mobility.

Tulum train station with direct connection to Tulum or Canc n airports and 16 other destinations within walking distance.

We are committed to the youth and generations to come and that is why we use all proceeds from the sale of Tulum.

Gardens to support a global civil society. We want to achieve a global balance based on climate justice.

COLLEGE

Colegio Ingl s We are convinced that education is the most important thing we can give our children. That is why we have made an alliance with Colegio Ingl s. They will educate happy children in Tulum Gardens

as they have been successfully doing for 20 years in Playa del Carmen.
