Descripción:

The property is abundant with native trees and features a traditional orchard with carob, almond, and fig trees, among others. The soil quality is excellent for sustainable agriculture, promoting productivity in harmony with the natural environment. Access is convenient via a tarmac road, ensuring the logistics for any rural activities.

While construction is not permitted in this specific area, this plot represents an outstanding opportunity for those interested in land investment, agricultural pursuits, or simply enjoying the peace and ecological richness of a protected rural setting. - REF: 1009-2393
