Publicado:	24/11/2025
Descripción:	

A stylish two double bedroom garden apartment with a private entrance and a versatile garden studio in an elegant period building. Accessed via a private patio, this beautifully presented home comprises an entrance hallway, an inviting and spacious well designed living room fireplace, bespoke storage and a cinema screen, a well-appointed kitchen opening to a bright, dual aspect dining room with French doors out to the garden.

A pod also in the garden so it's very much like a TV grand designs showcase.

A fronted principal bedroom with fitted wardrobes and an en-suite bathroom (also accessed from the hallway), a second double bedroom with a pull-down bed and garden access, and a guest cloakroom. The secluded, mature, southerly facing rear garden extends to approximately 49 sq ft and includes a large decked area, perfect for alfresco dining, a heated garden pod and the studio - a perfect home office, gym or with its pull-down bed, occasional guest bedroom.

Further benefits include the ability to apply for a residents' parking permit from Westminster City Council. This attractive home is situated close to Warwick Avenue Underground station on the Bakerloo line, the open spaces and sports facilities of Paddington Recreation Ground and the amenities of Formosa Street, Lauderdale Parade and Clifton Road
