### Descripción:

Introducing an exceptional opportunity to own a contemporary villa in Tabanan – Kedungu, a rapidly developing lifestyle destination within the thriving Bali property market. Priced at USD 325,000, this beautifully crafted 2-bedroom leasehold villa offers a harmonious blend of modern comfort, serene living, and long-term investment value—making it one of the most compelling options among today’s Bali real estate for sale. Set on 206 sqm of land with 155 sqm of meticulously designed building space, this 2024-completed villa showcases an elegant, contemporary aesthetic paired with premium furnishings throughout.

The enclosed living area, two spacious bathrooms, high-end finishes, and fully furnished interiors ensure a turnkey experience for buyers interested in Bali villas for sale or Bali homes for sale that offer both lifestyle and convenience. With a secure lease until July 2055 plus an extension option, the property provides long-term stability, ideal for those buying property in Bali for residence, holiday use, or revenue generation. Located just 10 minutes from Kedungu Beach, the villa is perfectly positioned near popular dining spots, a shopping center, and the energetic Luna Beach Club.

This prime location enhances the villa’s appeal for investors seeking investment properties for sale in Bali, Bali property for sale near amenities, or high-yield assets favored by global travelers. Its contemporary design, proximity to the coast, and strong rental potential position this property among

sought-after listings within Bali luxury real estate, Bali residential real estate, and curated Bali real estate listings by trusted real estate agencies in Bali. The villa also stands out for those exploring Bali property for sale leasehold, Bali property for sale with pool, or the broader landscape of real estate investment in Bali, as it offers significant ROI potential in a fast-growing neighborhood.
