Descripción:

Positioned on an elevated plot within a quiet cul-de-sac in Vila Sol Golf Resort, this stunning 4+1-bedroom villa is currently under construction and scheduled for completion in February 2026. Designed with striking contemporary architecture and high-quality finishes, this property perfectly balances style and functionality. Its prime location offers privacy and convenience, being just 300 metres from the resorts commercial area and less than 1 km from the golf clubhouse, home to some of the Algarves finest leisure amenities.

Set on a 1,640 m² plot, the villa spans 665 m² of covered area plus an expansive rooftop terrace with a bar, hot tub, and lounge zone. The ground floor features a generous open-plan living and dining space connected to an Italian designer kitchen with island, framed by floor-to-ceiling minimalist windows that bring in natural light and views of the pool terrace. The first floor is dedicated to ensuite bedrooms, including the main suite with walk-in wardrobe, luxurious bathroom, and private terrace. The lower level is designed for leisure and flexibility, offering a fifth ensuite bedroom with exterior access, a cinema room, a games room, and an additional multipurpose space that can be adapted as a gym, guest room, or extra garage. The rooftop terrace crowns the villa with panoramic views and is designed

for entertainment, featuring a hot tub, outdoor bar, and lounge areas ideal for sunset gatherings. Outside, the villas infinity pool includes a shallow beach section for sunbeds, complemented by a sunken firepit, BBQ zone, and multiple terraces for dining and relaxation.

Built to the highest specification, this property includes Marazzi floor and wall tiles, Porcelanosa bathroom fixtures, underfloor heating (including basement), ducted air conditioning, and a VMC ventilation system for improved air quality and energy efficiency. Premium details such as phenolic wood finishes, minimal-frame glazing, and custom-designed lighting elevate the homes modern aesthetic.
