Outdoor living (the real highlight)

This apartment is all about space outside. Thanks to its corner position, the outdoor areas wrap around the home and enjoy sun throughout the day.

The terrace runs along **two sides** of the apartment with **South-East and South-West** aspects — ideal for catching sun from morning through to late afternoon. The garden adjoins the terrace on a **third side** and faces **South-West, West and North-West**, making it perfect for afternoon sun and evening light.

It's the kind of outdoor space that's more typical of a villa than an apartment, ideal for alfresco dining, relaxing in privacy, creating multiple seating areas, and enjoying a true indoor/outdoor lifestyle.
