Detached Country House with Outbuilding, this stone house for renovation is offered for sale. It offers approximately 140 sq m of living space spread over 4 rooms, and sits on a plot of approximately 4,500 sq m.

A planning certificate (CU) has been obtained, a crucial element for carrying out any work or renovation project.

The property includes a 170 sq m outbuilding, a 262 sq m agricultural shed, and a partially collapsed building of approximately 170 sq m, offering numerous development possibilities.

Water and electricity meters are already installed, simplifying the process of reconnecting the utilities.

This property has excellent potential for a renovation or conversion project.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
