Descripción:

Modern family house is available for long-term rent for reliable tenant in Kurucles, one of the most desirable residential areas of Budapest's 2nd district.

The house is situated on a 400 sqm plot with a gentle slope. The total interior living area is 115 sqm, complemented by a 50 sqm covered terrace on the ground floor with direct garden access, as well as additional terraces on the upper levels.

Originally built in 2007 to a high standard, the property underwent a comprehensive renovation by the owner between 2023 and 2025, resulting in a modern, comfortable, and highly livable home.

The middle level comprises three bedrooms, one bathroom with a bathtub, and a terrace accessible from two of the bedrooms.

The top floor is dedicated to the master suite, which includes a private bathroom with a shower, a walk-in wardrobe, and a terrace.

The house is fully furnished, tastefully equipped, fully fitted with appliances, and air-conditioned.
