Descripción:

Apartment with Danube panorama for sale in District V, Belgrád embankment.

This apartment is located on the section of Belgrád Embankment closest to Liberty Bridge, in a well-maintained, renovated turn-of-the-century residential building with an elevator.

The property is situated on the first floor and features two balconies. The smaller balcony opens from the room facing the Danube and offers breathtaking views of the river, Gellért Hill, Liberty Bridge, and Elisabeth Bridge.

The larger, 6 sqm balcony overlooks the building's quiet inner courtyard. The apartment has a total floor area of 51 sqm, plus the two balconies. The layout includes two spacious rooms, an entrance hall, a fully equipped kitchen, and a bathroom. Hot water is provided by an electric boiler, heating is supplied by the building's central system, and air conditioning ensures cooling.

The apartment is in average condition and can be made move-in ready after minor technical improvements and optional aesthetic renovation (such as painting).
