Descripción:

TIC Immobilier is pleased to present, as an exclusive listing, this superb and rare property enjoying a highly sought-after location in the very heart of Ruffec, set alongside a stream that flows into the River Lien, offering a living environment that is both central and peaceful. Ideally located, the property is just a few minutes' walk from shops, schools, restaurants, and bars ☑ everything is accessible on foot.

Fully renovated in recent years, the house has undergone extensive, high-quality works, including the installation of a new compliant septic system, complete roof refurbishment, insulation and lining, electrical and plumbing upgrades to current standards, as well as the creation of a modern kitchen and two bathrooms, one on the ground floor and one upstairs.

The kitchen has retained charming original features that are now decorative, including a stone sink and a small fireplace with its original stone hob, adding character and authenticity to the space.

No work is required ☑ the house is ready to move into immediately. Simply unpack and enjoy the beautiful covered terrace, formerly a lavoir, a true haven of peace where you can relax while listening to the gentle flow of the stream.

A rare opportunity combining comfort, quality renovation, and an exceptional location.
