Descripción:

Transfer of ownership of the "Luso Africano" Café Snack Bar, a business with almost 30 years of history!

This is an excellent opportunity for those seeking a career change, for those who want to have their own business, their independence, or expand an existing business.

The space, with capacity for 60 people, is fully equipped and will continue operating until the time of transfer.

All furniture and equipment are included in the business and are in excellent condition, therefore requiring no additional charges.

Located a few meters from Jardim Almeida Garret (Rua de Timor and Rua Conselheiro Arala Chaves), in one of the areas of the city where more services are concentrated and where there is a stronger sense of activity/dynamism.

The owner is available to assist with the business transition.
