This newly built apartment is ideally located in the heart of Paphos, just a short walk from the charming Old Town and the scenic harbor.

Part of a modern three-storey building with an elevator, completed in 2025, the development consists of only seven apartments, providing privacy and a sense of exclusivity. Each apartment includes a photovoltaic system, a private storage room, and a covered parking space.

Located on the second floor, this apartment features a spacious open-plan layout that combines the living, dining, and kitchen areas. Large sliding doors lead to a covered veranda with lovely city views.

The apartment layout includes a guest bathroom with a shower and a bedroom on one side, while the other side houses two additional bedrooms, including a master bedroom with an ensuite shower room and a shared bathroom with a shower.

Offered unfurnished, the property comes with air conditioning units in all rooms. The covered internal area of the apartment is 108 m2.
