Descripción:

Apartment for sale in the Benalúa neighborhood, one of the most sought-after areas of Alicante due to its strategic location and quality of life.

Located on the third floor without a lift, this apartment stands out especially for its privileged environment. A few meters from the Corte Inglés on Maisonnave Avenue, in the heart of the city's Golden Mile, it allows you to enjoy a comfortable, practical and totally urban life.

The house is surrounded by all kinds of services: schools, pharmacies, banks, shops, restaurants and cafes. It has excellent transport links, with bus and TRAM stops very close by, as well as the Renfe station just a few minutes' walk away. Postiguet beach can be easily reached on foot in about 15 minutes.

It is an apartment designed for those who value location above all else, ideal both as a primary residence and for investment, in a consolidated area with high demand. An opportunity to experience Alicante from the centre, with everything within reach and without the need for a car.
