Project Highlights

The first of Diamond Bay Garden's three towers, Tower A, is now nearing 100% construction completion and features 591 premium residences across 39 stories.

Developed by OCIC, a top-tier Cambodian developer

Managed by The Ascott Limited, part of CapitaLand Group

Strata Title available for foreign ownership

3-tower development; Tower A near 100% completion

Tower A: 591 residences over 39 stories

Full handover by 2026—some units already available for move-in

Currently 60% sold out

Tower A at Diamond Bay Garden offers a prime location in one of the capital cities' highest valued locations- Koh Pich/Diamond Island.

Nestled adjacent to the iconic Mekong, Tonle Sap and Bassac Rivers, the project also offers panoramic and absolute riverfront views of the three rivers' convergence. No other condominium development in Phnom Penh offers such majestic views, and ease of access to the riverfront promenade.

Unmatched Riverfront Location

Located in the fast-emerging Koh Pich Central Business District (CBD), Diamond Bay also offers a rare balance of convenience, accessibility, and privacy.

Absolute riverfront views of the Mekong, Bassac, and Tonle Sap Rivers

Immediate access to the riverfront promenade

Close to 8+ hectares of green space, Norea Bridge, cafés, retail hubs, tech companies, and Grade A office towers

Lifestyle Amenities & Eco Design

Diamond Bay brings together a premium design with a commitment to sustainability. The project integrates nature into its design with lush ground gardens, cascading vertical greenery, and a serene sky garden. These thoughtfully curated green spaces bring the beauty of nature, creating a tranquil environment that merges the energy of water with the zen of plants.

Lush sky gardens, vertical greenery, and ground-level landscaping

Large swimming pool, kids' pool, fitness center, yoga room, and playground

Two full parking floors with 1,378 car spaces

Designed to bring wellness, sustainability, and modern luxury together. With the existing and future expansion of the riverwalks – Diamond Bay residents can enjoy peaceful strolls, bicycle rides or invigorating exercise all along the waterfront at their very doorstep – connecting health and nature in perfect harmony.

The project will be 100% completed and handover by 2026, and already some units are available for

moving in. Units for living, with no GRR, start from just \$120,000. Meanwhile, Ascott's management and GRR payments will commence in July 2026.
