Prime Land with Endless Ocean Views – Lajes do Pico, Azores

Discover the perfect canvas for your next project in the Ribeiras parish, Lajes do Pico. This 1,355 m² plot, located along the scenic Caminho de Cima (Regional Road), offers a rare combination of massive construction potential and breathtaking Atlantic vistas.

Key Features:

High Buildability: Classified as urban land under the Municipal Master Plan (PDM). With a 50% footprint allowance, you can build up to 677 m² on the ground floor. Spanning two levels, the total gross construction area can reach 1,355 m².

Versatile Investment: Perfect for a high-end private villa, a multi-family residential project, or a boutique tourism/service development.

Ready to Build: The area is fully equipped with water, electricity, and high-speed fiber internet.

Premium Location: Situated in a peaceful, quiet neighborhood just 7 minutes from the main town of Lajes do Pico and only 5 minutes from stunning natural volcanic pools.

The View of a Lifetime:

Wake up to an endless ocean horizon. This property provides the ultimate island lifestyle: serene and private, yet conveniently close to essential services and the authentic charm of Pico Island.

Whether you are looking for a lucrative development opportunity or a site for your dream home with unobstructed sea views, this plot stands out as one of the best opportunities in the region.
