Descripción:

Nestled in the heart of a verdant setting, this elegant contemporary house of approximately 237 sqm unfolds its architecture on a landscaped plot of 2,000 sqm. A rare location, in a commanding position, where the gaze is lost on the horizon and where absolute calm envelops every moment.

From the entrance, the clean lines of the building set the tone: sobriety, elegance, and spaciousness. The rooms open naturally, bathed in omnipresent light. The vast living area, enhanced by a generous sitting room, flows seamlessly into a finely equipped open-plan kitchen and a veranda that extends towards the garden, composed like a living painting.

On the ground floor, light reigns supreme. Large bay windows reveal beautiful terraces and seamlessly extend the interior to the outdoors. The contemporary kitchen and veranda create a welcoming space overlooking the pool and garden, while a master suite, complete with a shower room and dressing room, completes this floor like an intimate and refined haven.

Upstairs, an elegant master suite extends, featuring its own bathroom and dressing room, along with an additional bedroom with a private shower room.

On the garden level, a fourth bedroom with its own shower room, as well as a spacious, light-filled office, offer an ideal independent space. Storage, laundry room, gym, inspiring workshop, here, every project can take shape.

Outside, the lush garden invites contemplation. Nature unfolds poetically, punctuated by carefully chosen plants and masterfully framed vistas. At the heart of this picture, a stunning 10m x 5m infinity pool stretches its pure lines, creating a secluded haven of peace, perfectly sheltered from prying eyes. A place where calm, space, and serenity become a way of life.

An ideal retreat for a family or for those seeking the rarity of an exceptional setting.
