Apartment Introduction:

We are pleased to introduce this Curio Collection of apartments by Hilton for sale in Naama Bay, designed for buyers who want generous living space, refined comfort, and the reassurance of professionally managed, internationally branded residential living. These apartments are ideal for families, couples who enjoy entertaining, or owners seeking a versatile second home that can also perform as a strong rental asset. Combining elegant interiors, private outdoor space, and access to five-star amenities, these two-bedroom residences offer a lifestyle shaped by sea views, sunshine, and effortless ownership in one of the Red Sea's most established destinations.

What is Sharm El Sheikh like?

Naama Bay is the social and lifestyle centre of Sharm El Sheikh, known for its sweeping bay, calm turquoise waters, and lively promenade. The area offers a rare balance of relaxed beach life and vibrant resort energy. Days unfold around swimming, snorkelling, and yacht trips, while evenings bring an excellent choice of restaurants, cafés, and entertainment venues. The destination enjoys year-round sunshine and a strong international profile, attracting visitors from across Europe and the Gulf, which continues to support both lifestyle appeal and long-term property demand.

Where are the apartments located in Sharm El Sheikh?

The two-bedroom apartments are ideally positioned within Sharm El Sheikh, just moments from the beach and the heart of Naama Bay. Set on naturally elevated terrain, the development benefits from enhanced privacy and far-reaching views across the Red Sea, city lights, and surrounding desert landscapes. This elevated position adds a sense of calm and exclusivity while keeping residents closely connected to the area's main attractions. Sharm El Sheikh International Airport is approximately ten

minutes away, ensuring smooth and convenient travel for owners and guests throughout the year.

What are the apartments like?

The two-bedroom apartments are thoughtfully planned to offer generous proportions and a natural flow between indoor and outdoor living. Interiors are bright and contemporary, with open-plan living and dining areas that extend onto private terraces, ideal for al fresco dining or relaxing in the sea breeze. Bedrooms are well-sized and designed for comfort and privacy, while bathrooms are finished to high international hospitality standards. Delivered fully finished and fully furnished, the apartments provide a true turnkey solution, allowing owners to enjoy immediate use or place the property straight into the professionally managed rental programme.

What is the apartment complex like?

The wider residential environment has been conceived as a complete lifestyle destination rather than a conventional apartment development. Residents benefit from hotel-style services and amenities managed under the Curio Collection by Hilton, combining distinctive character with trusted global standards. Facilities include sea-view swimming pools, landscaped communal terraces, fine dining restaurants, elegant cafés, wellness and spa facilities, and dedicated leisure spaces. Professional on-site management oversees operations, maintenance, and guest services, ensuring consistent quality and long-term value for owners.

Nearby Amenities:

Living in Naama Bay places an impressive range of amenities within easy reach. Residents enjoy immediate access to sandy beaches which are located less than 900 metres from these homes, a golf car will transport you within five minutes.

Diving and snorkelling centres, water sports, boat trips, and yacht charters. The surrounding area offers international dining, boutique shopping, nightlife, and wellness retreats including "LifeCo" centre which is the first resort of its kind in the Middle East. For those seeking variety, the wider region provides desert safaris, Bedouin cultural experiences, and historical excursions, making the destination engaging throughout the year.

Transportation:

Sharm El Sheikh International Airport is located approximately ten minutes away, offering regular direct and charter flights to major European cities and increasing connectivity across the Gulf region. Local taxis and private transfers are readily available, and the central Naama Bay location allows many attractions and daily amenities to be reached comfortably on foot.

Why Invest?

The two-bedroom apartments present a compelling investment opportunity supported by location, scale, and brand strength. Branded residences managed by Hilton typically benefit from higher occupancy rates, stronger average daily rental values, and improved resale demand when compared to non-branded properties. Sharm El Sheikh's strong tourism recovery, year-round demand, and established international reputation further reinforce the investment case. The dual-purpose ownership model allows owners to combine personal enjoyment with professionally managed rental income, offering a balanced blend of lifestyle and financial potential.

Frequently Asked Questions (FAQs):

Are the two-bedroom apartments suitable for families?
