Descripción:

Discover a rare opportunity in the suburbs of Ioannina, in one of the most privileged locations overlooking Lake Pamvotis. This is a large three-level single-family home (basement/ground floor, elevated ground floor, and 1st floor) with a total area of 246 sq.m., built in 1991 on a plot of 2,000 sq.m., offering ample space, privacy, and limitless possibilities for renovation and the creation of modern living spaces. The property features five spacious bedrooms, two full bathrooms, and large reception areas that can be tailored to the family's needs. The 86.40 sq.m. basement (which is at ground level) has already been configured as an independent office-working space with its own entrance, ideal for professional use or as a separate studio. On the elevated ground floor of 86.40 sq.m. is the main living room with a fireplace, a separate kitchen, one bedroom, and a bathroom, while the 1st floor of 73.26 sq.m. hosts four additional rooms and a second bathroom, accessible via an exquisite wooden staircase. The roof offers additional insulation and aesthetics that blend with the surroundings. The southeast orientation and elevated position ensure unobstructed views of Lake Pamvotis, while the property is bright, cross-ventilated, and airy with wooden frames and double glazing.

Katsikas is just 6.2 kilometers from the central square of Ioannina and 5 kilometers from the University of Ioannina, offering easy access by car (approximately 7-10 minutes) or via public transport (lines 2, 10, 16 of the Urban KTEL) with a stop 4 minutes walking distance from the property. The University Hospital is 4.4 kilometers away, while Ioannina Airport is accessible in 13.3 kilometers. The area is characterized by a quiet neighborhood, free land on all sides, and immediate contact with nature, while the large plot of 2 stremmas offers a garden, activity space, and 5 parking spaces (1 in the pilotis and 4 in

the open area).
