| Descripción:   | Hotel for Sale in Rhodes |

Set on the serene west coast of Rhodes, this beautifully established boutique B&B is a place where nature, privacy, and hospitality come together effortlessly. Surrounded by 35,000 sq.m. of lush greenery and enjoying open sea views, the property offers a sense of calm and space, while remaining just 700 meters from the beach and within easy reach of the island's main routes.

Built in 2010 and meticulously maintained, the estate unfolds across six independent buildings, thoughtfully designed to balance guest comfort with operational flexibility. The reception building creates a welcoming first impression, discreetly supported by a basement for auxiliary use.

Scattered throughout the grounds, a collection of one-bedroom bungalows and duplex studios provides warm, self-contained accommodation, each with its own kitchen and a strong sense of privacy. Larger apartments add versatility, featuring generous living spaces suited to families or longer stays. Complementing the guest facilities, dedicated areas for laundry and wellness include massage rooms that elevate the overall hospitality offering.

At the heart of the property lies a refined 120 sq.m. private residence, complete with two bedrooms, a dressing room, a comfortable living area, a fully equipped kitchen, and an outdoor BBQ space—ideal either for owner occupation or as a premium guest unit.

The business operates smoothly from April through October with a small, experienced team and enjoys

consistently excellent reviews, reflecting both the quality of the facilities and the atmosphere of the place. Located approximately 30 minutes from the airport, it combines a peaceful, retreat-like setting with convenient accessibility.

Whether continued as a boutique hospitality concept or further enhanced to unlock additional value, this is a rare opportunity to acquire a well-established, income-generating property in one of Rhodes' most tranquil and authentic landscapes.
