### Descripción:

Located in Mogadouro, in the district of Bragança, the Solar dos Marcos is a remarkable historic property that combines architectural heritage, authenticity and strong investment potential.

Originally built in the first half of the 18th century and later adapted and expanded, this noble manor once belonged to D. Manuel Martins Manso, Bishop of Guarda and a native of Bemposta. Its impressive main façade showcases the distinctive features of traditional noble houses of Trás-os-Montes from the late 17th and 18th centuries.

The property includes a private chapel and proudly displays the coat of arms of the Martins-Manso family, now known as the Marcos family rare and valuable elements that enhance its historical and cultural significance. In recognition of its importance, the building was officially classified on April 4th, 1996, as a Property of Significant Architectural Value.

Ideal for a boutique hotel, charming rural tourism project, luxury retreat or prestigious private residence, Solar dos Marcos offers a rare opportunity to acquire a unique heritage asset in an authentic and unspoiled region of Portugal.
