### Descripción:

We present Ornelas Legacy, a new landmark development located in Calheta, in the highly sought-after Estrela area, one of the most valued and desired areas of the municipality. This project reflects the experience, solidity and successful track record of a developer whose developments are widely recognized for selling quickly, as a result of strategic locations, construction quality and excellent appreciation over time.

With construction scheduled to start soon and completion estimated for the end of 2027, Ornelas Legacy will feature 50 modern apartments, carefully designed to offer comfort, functionality and high quality standards. The development integrates sea views, communal swimming pools, large garden areas, well-kept outdoor areas and a quiet environment, creating a true residential refuge.

In particular, we present a T1, fully furnished and equipped, included in the price and ready to move in, ideal for both own residence and highly profitable investment. The combination of green areas, quality common areas and Estrela's premium location makes this project a rare opportunity in today's market. -
