Descripción:

Located in the charming town of Châtellerault, this house, completely renovated in 2025, offers a comfortable and functional living environment, ideal for a couple or a family. Close to amenities, schools and points of interest in the town, it enjoys a location that is both convenient and pleasant.

With a living area of 128 m² on a plot of 502 m², the house opens onto a large, bright living room on the ground floor, which harmoniously combines a lounge, dining room and fully equipped kitchen, designed for everyday use and entertaining.

A master suite with shower room offers a truly private space, complemented by a separate WC and a discreetly integrated laundry room.

Upstairs, the sleeping area offers two comfortable bedrooms, an elegant shower room, a separate WC and a storage room, providing real storage comfort.

The amenities are completed by a garage, a workshop, a cellar, and an efficient heating system combining a pellet stove and electric heating, guaranteeing thermal comfort and energy control.

Turnkey house, no work required.

Carefully maintained and recently renovated.

A quality property, combining modern comfort, elegance and practicality, to be discovered without delay.
