### Descripción:

Just a few steps from local shops, 10 minutes' walk from the train station and 5 minutes from schools, this townhouse enjoys a highly sought-after location where everything is within walking distance.

Behind its discreet façade, the house offers generous volumes. The ground floor features an entrance hall, a bright living room and an open-plan kitchen/dining area designed for sharing moments together. Upstairs, there are four bedrooms and a shower room. Two additional rooms complete the property, offering multiple possibilities: office, workshop, guest room or playroom — the choice is yours.

Outside, the private, tree-lined garden with its sunny terrace provides a peaceful retreat in the heart of town — a rare privilege.

The property requires complete renovation, including the installation of a heating system. A rewarding project that will allow you to redesign each space and create a home entirely tailored to your vision, in a location where homes with outdoor space are highly sought-after.
