Descripción:	Prime Shop for Rent in Korydallos Freedom Square

A strong commercial opportunity in the heart of Korydallos. Located directly on Freedom Square (Eleftheriou Venizelou Square), one of the busiest and most commercially active points in the area, this 224 sq.m. shop offers exceptional visibility, approximately 10 meters of frontage, and constant daily foot traffic.

The property is developed across three levels, providing flexibility for a wide range of business uses.

The ground floor (109 sq.m.) features an open-plan space with direct street access, ideal for customer-facing operations. It includes a WC with accessibility for people with disabilities. In front of the shop, a 29 sq.m. outdoor prasia area enhances exposure and usability, adding extra commercial value.

The mezzanine level (106 sq.m.) is accessed via two internal staircases—one public and one private—making it perfectly suited for offices, consultation rooms, treatment spaces, or administrative functions.

The basement (9 sq.m.) includes two additional WCs, bringing the total to three WCs.

The shop is front-facing, bright, and west-oriented, benefiting from open views and strong natural light. Fully renovated in 2025, it features aluminum window frames with double glazing, tiled flooring, storage

space, alarm system, three-phase power supply, and chimney installation—allowing for multiple professional or retail uses.

Built in 1973 and maintained in good condition, the property holds Energy Class D. It offers asphalt road access and immediate proximity to public transportation.

Due to its size, layout, and strategic square location, the property is particularly suitable for medical or healthcare use (medical center, diagnostic facility, clinics), while also being ideal for retail, offices, or professional services.

A rare leasing opportunity in a high-demand urban location, offering visibility, flexibility, and long-term business potential.
