Turnkey Investment Opportunity Proven Vacation Rental Business in La Paz Mexico This is a rare investment opportunity in La Paz a fully operational vacation rental business with a solid and verifiable Airbnb performance history since January 2024. The property generates approximately MXN ... per month in gross rental income with fixed monthly operating expenses of approx. MXN 60 000 which already include maintenance cleaning electricity water gas and property taxes. The property is sold fully furnished and equipped turnkey .It holds a commercial appraisal of MXN 30 000 000 which is also the asking price. Based on current performance the property delivers an estimated net annual ROI of approximately 14% after operating expenses allowing investors to recover their capital in approximately 7 years. By leveraging additional revenue streams such as private dining experiences massages tours or transportation services returns could be achieved even faster using conservative projections. Property Overview Casa Chukum Casa Chukum stands out for its architectural design scale and capacity to host large groups including international artists and professional teams who have consistently chosen this property for extended stays. Key distinguishing features include Panoramic bay views High ceilings The largest handcrafted stained glass window in La Paz Unique architectural and design details that make the property virtually without direct competition The property maintains an average monthly occupancy between 75% and 89% advertised exclusively on Airbnb. Expanding to additional platforms could realistically achieve near full monthly occupancy. Accommodation capacity 18 20 guests with full privacy thanks to its functional multi unit layout.
