Descripción:

Experience the authentic charm of the Axarquía in this cosy house located in the heart of Algarrobo Pueblo, a quiet environment with Andalusian character, just a few minutes from the coast. A perfect property for those looking to enjoy the Mediterranean lifestyle in a village with history, amenities and a welcoming community.

Algarrobo is located in a strategic location within the eastern Costa del Sol, combining the tranquility of a traditional village with the proximity to the beach and the main towns in the area.

The house is located in a central and quiet area of the village, close to shops and services. An ideal choice both as a permanent residence, holiday home or investment for tourist rental.

Distribution of the house:

On the main floor we find a hall with a living area that connects to the equipped kitchen and a corridor that gives access to the rest of the rooms, such as a dining room and a spacious living room.

From the living room, we access the first floor, where there is a bathroom with bathtub, two double bedrooms, and a corridor that leads us to the second floor. On the second floor, as you can see in the Virtual Tour, we have two additional rooms, and access to the first terrace. Finally, on the third floor you have a large terrace with open views of the village and the mountains.

One of the great attractions of the property is its large terrace with open views and the surroundings of the village, and space to enjoy outdoor meetings throughout the year.

An excellent opportunity to acquire a property on the Costa del Sol and enjoy the tranquility of the town with the sea just a few minutes away.
