Descripción:

Looking for an off plan stone villa in Chania Crete for sale ? This two-storey stone-built villa ticks all the boxes — great location, solid construction, top energy rating, and a private pool. Just 17 km from Chania and a short walk to the beach. Traditional local stone, two levels, a layout that actually makes sense. This is the kind of home that keeps you cool in summer, warm in winter, and looks better with every passing year. No gimmicks — just quality construction done properly.

The Space

128.4 m2 total / 84.04 m2 clear usable space across two floors, with 3 bedrooms, 2 bathrooms, a ground floor that opens straight to the garden and pool, and an upper level with views over the Cretan countryside. Energy Class 1 (Class A) certified, air-conditioning units included, and underfloor heating

pipework pre-installed with heat pump connection — add it later with no retrofitting headache.

A 32 m2 private pool and a private garden. Morning swims, al fresco dinners, complete privacy. That's the Cretan summer sorted.

Location

Walking distance to the beach and village amenities. Chania is 17 km away — harbour, airport, restaurants, everything. Elafonisi and Balos are an easy drive.

Why Off Plan?

Better price before completion, new build with full warranties, strong rental demand in Crete, rising property values in Chania.
