In the heart of the town of Bolgheri, where the world-renowned Avenue of Cypresses heralds one of Tuscany's most iconic hamlets, lies this turnkey 112-square meters (1205 sq ft) apartment on the second and top floor. Set within a historic 19th-century palazzo, the residence radiates an authentic atmosphere, meticulously restored in 2000 with traditional wooden window frames, double glazing, and integrated fly screens. The interior layout offers airy, functional spaces featuring a welcoming entrance, a living room with kitchen, two bedrooms, a bathroom, and a closet. This is a home where you can truly live the history of Bolgheri on foot; every local amenity, from fine-dining restaurants to artisanal boutiques, is just a short stroll away. The location is as strategic as it is evocative: while your windows overlook centuries of heritage, the golden sands of the Etruscan Coast are a mere 8 km away.
