Descripción:

Terreno en Venta en Versailles Puerto Vallarta Jalisco Discover the perfect foundation for your dream home in one of Puerto Vallarta's most desirable and strategically planned neighborhoods. This exceptional vacant lot spanning 381.71 square meters 4 108.69 sq. ft. offers a rare opportunity to design a custom residence from the ground up. As showcased in the aerial imagery the property is a flat rectangular and cleared parcel currently secured by fencing and ready for immediate development. The ambiance of the site is one of potential and established tranquility nestled between charming traditional Mexican architecture and sophisticated modern mid rise developments it sits in a mature clean and evolving community. With existing perimeter walls on three sides and wide street frontage the property offers immediate privacy and security awaiting only your vision to transform this sun drenched space into a personal tropical oasis. Situated in the highly sought after community of Fluvial Vallarta this property enjoys a premier central location known for its excellent urban planning underground utilities and wide avenues. Daily convenience is unmatched here major commercial hubs like Plaza Caracol are approximately 1 kilometer away while the upscale shopping and dining at La Isla Shopping Village are within a 2.5 kilometer drive. Top tier medical services at Hospital Joya are roughly 1.5 kilometers from the site and prestigious bilingual schools can be found within a convenient 2 kilometer radius.
