Descripción:

Nestled in the bohemian Villiers-Barbusse district of Montreuil, this rare multi-unit property is just a 14-minute walk from Mairie de Montreuil Underground Station (Line 9). This vibrant, creative neighbourhood offers immediate access to trendy boutiques and independent eateries, perfect for those seeking a dynamic urban lifestyle.

The 486 m² plot is centred around a private courtyard serving three distinct houses. At the rear, a 130 m² garden belonging to the main house leads to a versatile outbuilding: an ideal space for a creative studio or home office. This tranquil, leafy outdoor area offers exceptional development potential in the heart of the city.

A total internal area of 178 m², this unique property consists of three houses (82 m², 58 m², and 38 m²), each equipped with its own electric meter for independent management. With a potential valuation of £1,100,000 if split into separate titles, this is a prime opportunity for multi-generational living or co-housing, offering shared communal space while preserving individual privacy.
