Descripción:

For sale a newly built villa, completion of construction work is expected by summer 2022. Villa is situated first row to the sea and extends to two floors which are connected by inner staircase. In the basement is a fitness room with its own toilet, sauna, big indoor pool, laundry room, a hallway that leads to retiring room with covered terrace, engine room, garage and stairs that go to the ground floor. In the entrance of ground floor there is a hallway which leads to spacious living room with kitchen and dining room, anteroom and four bedrooms with en suite bathrooms. Living room has an exit to big terrace through sliding glass walls. Villa will be built with materials of top quality and equipped by the best equipment and modern furniture. In addition to the existing garage, two additional covered outdoor parking spaces will be provided.

Infrastructure: electricity, water, sewage, paved access road.

Additional information about the facility, its exact location and sightseeing is possible after signing a brokerage agreement with the agency that is in accordance with the Data Protection Act and the Real Estate Brokerage Act.
