Descripción:

Land for sale, located just 200 meters from the sea on the Sibenik Riviera, in the immediate vicinity of the famous Solaris tourist complex. The plot is for sale with a project and a permit for the construction of a residential-business building, gross area of 1800 m², consisting of three four-storey buildings. On the ground floor there are garages, storage rooms, technical rooms and a cafe. On the upper floors are luxury apartments with terraces, one on each floor. The buildings are equipped with an elevator. The plot is flat, regular in shape, and has a paved driveway and water and electricity connections. Utilities have been paid so the buyer can start construction immediately. The plot offers a fantastic panoramic view of the sea and the environment, which can never be closed, because between the plot and the sea there is a green area where construction is prohibited. Excellent location, close proximity to the sea, infrastructure, and sports and recreational facilities make this project ideal for investment.
