KRK ISLAND, VRBNIK (surroundings) - House with swimming pool and jacuzzi

Near Vrbnik, on land surrounded by greenery, there are two seaside houses that are connected to each other and delight with their appearance. The larger house consists of a living room with a kitchen and a dining room, two bedrooms, a bathroom and a toilet. Next to it is a tavern with a wooden interior. The second house, although it is slightly smaller and has living space, has the same rooms as the larger house and has access to an uncovered terrace with a hot tub. In the garden, hidden from view, there is a heated swimming pool with a sunbathing area, a children's playground, a barbecue and a garden full of Mediterranean greenery and natural stone. A large parking lot allows comfortable parking of vehicles. The units have their own entrances and accommodate 4-5 people, and the air-conditioned rooms are decorated in a rustic style with many interesting details. The house is ideal for a secluded escape, yet a few minutes' drive from the necessary facilities and beaches. The house has been categorized and is therefore ready for rent.
