Descripción:

A spacious and comfortable apartment is for sale, located in a residential building in Okrug Gornji consisting of a total of seven residential units spread over four floors: ground floor, first floor, second floor, and attic. The apartment for sale is the largest in the building and is situated on the top floor, in the attic. It consists of a spacious living room, kitchen and dining area, three bedrooms, and two bathrooms, with a total floor area of 84.54 m². The living room opens onto a 6.9 m² balcony, while one of the bedrooms has access to a second balcony of 5.7 m². Both balconies offer a beautiful sea view. The apartment also includes two garage parking spaces. The apartment is fully furnished and equipped and is being sold as such. Thanks to its layout and location, it is ideal for comfortable family living, as well as an excellent investment opportunity for tourist rental.

It is situated in an attractive location, only 150 m from the sea and the nearest beach, close to the village center and all amenities necessary for everyday life. It is just 4 km from the town of Trogir, 10 km from Split Airport, and 32 km from the center of Split.
