Location: Primorsko-goranska županija, Kostrena, Doričići.

We are selling a great two-story apartment in Kostrena near the sea. The apartment consists of three bedrooms and a bathroom on the 1st floor, and a balcony with a view of the sea (above the apartment is a 7m2 attic), on the ground floor there is a wardrobe, living room and kitchen, toilet, and storage. The apartment includes 2 fenced parking spaces (electricity preparation for an electric car), a garden in the front where there is a covered terrace and a fenced garden behind the building where there is a large barbecue and a place for socializing that can be completely closed for greater intimacy if necessary (the beams are already set). The apartment is equipped with gas central heating and is fully air-conditioned, so utilities are extremely low throughout the year.

Most of the furniture is made to measure, the kitchen is Dankuchen and all the furniture, except private things, remains in the price.

It is a ten-minute walk to the sea, which makes this property an ideal investment for tourist rental.

The house was built in 2013, and the facade and roof are in excellent condition.

Ideal property for families with children!
