ISLAND OF KRK, VRBNIK - Apartment in a new building on the 1st floor, with panoramic views

We present a new apartment in a modern new building, from a proven long-term investor, with only 4 residential units. More about the specifications of the building itself, you can find in the project title.

Smart layout.

Apartment A2 is located on the first floor of a new building, with a total usable living area of 84.11 m², ceiling height of 2.80 m².

It consists of an entrance area with a guest toilet, an open space with a kitchen, dining room and living room of 35 m², while in the back area there are two bedrooms (11.12 m²) and a spacious bathroom. The living room opens onto a covered balcony of 20 m² facing south, with a view of the sea.

Top-notch equipment and quality construction.

The property is being sold on a "turnkey" basis and is built with the highest quality materials to the highest standards:

- heating and cooling: electric underfloor heating, air conditioning in the living room and bedrooms
- joinery and flooring: high-quality PVC joinery, security doors, top-quality ceramic floor coverings and parquet floors
- sanitary facilities: modern equipment, sanitary facilities from renowned manufacturers.

Parking and ownership.

The apartment also comes with a parking space and an associated outdoor storage room.

The building has an asphalt driveway, and connections for electricity, city water supply, internet and satellite television have been made.

CONVENIENCE FOR BUYERS:

The property is in the VAT system, which means that the tax is included in the price and the buyer does not pay the 3% real estate transfer tax!

This apartment represents an extraordinary opportunity for year-round living, a perfect family vacation or as a highly profitable investment in a tourist rental on one of the most desirable islands in the Adriatic.
