Scheduled for completion in Q4 2027, the apartment offers a balanced layout with 119 sqm of land and 119 sqm of building size, featuring two spacious bedrooms and two elegant bathrooms, including both a shower and bathtub.

The home also includes a stylish enclosed living area, dining space, and a state-of-the-art kitchen, all thoughtfully designed to maximize comfort and functionality. Large 3-meter floor-to-ceiling windows flood the interior with natural light while connecting the living spaces to the surrounding greenery. A private terrace lounge provides a peaceful outdoor retreat, enhanced by terracotta finishes and intricate wood-carving details that reflect authentic Balinese artistry. Just three minutes from Nyanyi Beach, the property enjoys a strategic location close to coastal attractions while maintaining a tranquil atmosphere. This prime positioning places it among the most desirable Bali property for sale near amenities, appealing to both lifestyle buyers and investors exploring investment properties for sale in Bali.
