Descripción:

This 107 m2 commercial space with two terraces is located in the Centro Comercial Yaiza, in the lively center of Playa Blanca.

Originally designed as a restaurant, the property includes an entrance area, two separate rooms (formerly storage and kitchen), a guest bathroom with two toilets, and a roughly 50 m2 main hall with access to a 37 m2 covered west-facing terrace. Additionally, there is a covered east-facing terrace at the rear of the premises.

Thanks to its location on the main street Calle Don Jaime Quesada el Maestro, the property benefits from excellent visibility to both locals and tourists, this opens up a wide range of potential uses, such as a restaurant, office, fitness studio or retail shop.

The commercial space is currently closed and requires some renovation, giving the buyer the freedom to customize the property according to their own vision.
