Descripción:

VERSAILLES, just a stone's throw from the grounds of the Palace of Versailles (Saint-Antoine Gate), this exceptional property—as discreet as it is unexpected—comprises two distinct spaces, each offering unique possibilities, whether for living, entertaining or as a sound rental investment.

The main house comprises an entrance hall, a vestibule, 3 bedrooms (with the potential to create further bedrooms), two shower rooms, two toilets, a bar area, a living room, a kitchen opening onto the light-filled dining room, a wine cellar and a boiler room.

The outdoor area is an invitation to relax, with its swimming pool, hot tub and barbecue dining area. It feels like a holiday without leaving the city.

Furthermore, the detached annexe, ideal for entertaining or as a rental investment, comprises a living room with an open-plan kitchen, a large bedroom, a shower room with a steam room and a separate toilet. It features a terrace and its own lush, flower-filled garden.

Access to the property is via a secure communal entrance, leading to a large garage capable of accommodating two cars side by side, as well as a workshop and two additional outdoor parking spaces.

This unique property is sure to charm you. A viewing will allow you to appreciate its uniqueness and potential!
