Descripción:

Plot for Sale in Kastella, Piraeus

Located in one of the most established and in-demand areas of Piraeus, in Kastella, this 108 sq.m. plot is set in a quiet residential spot with direct access to Pasalimani, Mikrolimano, and the coastal front.

Its key advantage is the fully approved building permit (May 2024), accompanied by complete architectural and engineering studies, allowing immediate commencement of construction without delays.

The permit αφορά the development of a five-storey residential building with pilotis and basement, including three full-floor apartments of approximately 55 sq.m. each, and a duplex residence on the top floors with a total area of 80 sq.m.

The basement includes storage units, while two parking spaces have already been secured and legally registered. Contributions for the remaining parking requirements have also been settled, ensuring full compliance with planning regulations.

The plot is ready for construction, and stabilization works have already been completed on adjacent buildings, reducing construction risk.

The location is a strong advantage, offering close proximity to metro, local amenities, the University of

Piraeus, and the sea — making the project suitable for both end-users and investment purposes.

From the 3rd floor and above, the future residences will benefit from sea views, enhancing the overall market appeal of the development.

A well-structured development opportunity with an active permit and clear direction, in an area with consistent demand and long-term value.
