Descripción:

Apartment for sale in Playa de San Juan, a few meters from the beach, in one of the most valued areas of Alicante for its quality of life, its atmosphere and its excellent connection with the rest of the city. Here you will have everything at your fingertips: bus and TRAM stops, supermarkets, restaurants, leisure areas and all the necessary services for day-to-day life.

The house has approximately 100 m² very well used, offering a comfortable and functional space. It has three bedrooms, two full bathrooms one of them en suite and a pleasant glazed terrace that becomes an ideal extra space to enjoy all year round, both in winter and summer.

It includes two garage spaces, one indoor and one outdoor, something very unusual and highly valued in this area, as well as a 6 m² storage room that provides a very practical extra storage.

Urbanization is one of its great strengths. It offers a swimming pool, children's area, social club, multi-sport court and tennis courts, creating a perfect environment to enjoy without leaving home. A space where tranquility is combined with the possibility of leading an active and social life.

This apartment is ideal both as a permanent home for families and for those looking for a second home near the sea. The combination of location, services, complete urbanization and distribution make it a very interesting opportunity.

It is a home that must be seen to appreciate all that it offers.
