Descripción:

This modern luxury estate for sale composed of two exclusive, recently-built panoramic villas overlooks Monfumo's stunning hills, just a few kilometres from Asolo, surrounded by an idyllic landscape made of rows of vines, olive trees and apple trees. The two villas share a marvellous, 5,000-sqm terraced park and are connected through the rooms of the leisure area on the ground floor, featuring an exclusive wellness and spa area with a Turkish bath, an indoor heated saltwater pool, some changing rooms and a cozy room with a fireplace. The entrance opens into prestigious halls with a dining area and a fireplace, pleasantly lit by big windows overlooking the leafy park. There are then spacious eat-in kitchens, study rooms and bathrooms. The sleeping area, located on the first floor, houses two en-suite bedrooms for the first house, complete with a walk-in closet, a terrace and a balcony, while the second unit has three bedrooms, two of which have their own bathroom, and a walk-in closet. An annex with a bathroom for guests was built in the charming tower, accessible by a staircase. The villas combine luxury and comfort, offering a sophisticated home automation system, an efficient solar thermal and photovoltaic system and a modern anti-theft alarm circuit.
