Descripción:

This completely refurbished 2 bedroom apartment in Portimão is the ideal choice for young couples looking for their first home, without worries or works just come in and move in.

With 85.5 m² well distributed, the property offers an open space, modern and functional living room, which combines the living room and kitchen, creating a spacious, practical and perfect environment for everyday life or to receive friends and family.

The excellent sun exposure to the west ensures abundant natural light throughout the afternoon, making the house more comfortable, welcoming and energy efficient.

Completely refurbished with a current style and modern materials, the apartment conveys a feeling of a new home, designed for those who value comfort, simplicity and well-being from day one.

The two bedrooms offer tranquility and good areas, ideal for resting, working from home or even thinking about a future family. It also has a collection, a very important extra to gain space and

organization in everyday life.

Inserted in a building with an elevator and in an area with easy access to services, commerce, schools and main roads, this apartment combines practicality, comfort and quality of life.
