Descripción:

Manor house with garage for 3 cars, patio, terraces and multiple suites for sale in Don Benito

In the heart of the urban center of Don Benito is this large single-family house of approximately 467 m² built according to the Cadastre, a property difficult to find due to dimensions, distribution and possibilities.

The house stands out for its spaciousness, its excellent state of conservation and a very versatile layout, ideal for both a large family and for those looking for space, comfort and different independent environments.

Housing distribution

Ground floor

Upon entering we are greeted by an elegant entrance hall that leads to a wide hallway.

On the left hand side we find a large living room outside the street, very bright thanks to its large windows and fireplace, creating a warm and cozy room.

On the right hand side is a large kitchen with a pantry. Before accessing the kitchen we find a separate toilet. From the kitchen there is access to an auxiliary area currently used for laundry and ironing, with direct connection to a large garage with capacity for up to 3 vehicles.

From this area we also access a private patio of approximately 50 m², a very pleasant space with a lot of

privacy where there are also two storage rooms with multiple possibilities of use, including the possibility of adapting them as bedrooms, office, leisure room or guest area.

On this same floor we find:

A bedroom facing the street with an en-suite bathroom and fitted wardrobes.

Another double bedroom with window to the patio.

First floor

The first floor offers a very comfortable and functional layout:

3 double bedrooms with en-suite bathrooms and fitted wardrobes.

Exterior bedrooms both on the street and on the patio.

In addition, it has:

A single bedroom ideal as an office, teleworking area or auxiliary room.

A large living room outside the street with access to a solarium terrace of approximately 20 m².

This floor also has independent access from the garage, providing privacy and many possibilities of use.

Second floor

On the top floor we find another solarium terrace of approximately 15 m², perfect as a chill out area, relaxation space or additional outdoor area.

Highlights

Approximately 467 m² built according to the Cadastre.

Garage with capacity for 3 cars.
