Descripción:

Medieval fortified village with bar/grocery and street shops (fish, pizza and butcher once a week), local producers' food co-op, thriving theatre and music venue. Primary school, 5 minutes from Magalas, 20 minutes from Beziers, 20 minutes from Pezenas and 25 minutes from the beaches.

A house steeped in history with a cellar, during a longtime the home of a family of winegrowers, offering 140 m2 of living space with 5 bedrooms and 2 bathrooms. Opposite and higher than the house is a garden with magnificent views over the surrounding countryside, complete with a large above-ground swimming pool in excellent condition, sun deck and dining terrace. A small annex, in need of renovation, completes the property. The house is in need of modernisation, both decoratively and technically, including the installation of a more efficient heating system and glazing that meets current standards. Situated in a charming medieval village, just 5 minutes from a market town with all amenities. An ideal location for a family residence or holiday home in the heart of the south. Successful rental holiday record over the past twenty summers.
